FOR IMMEDIATE RELEASE

Granite Falls Fire District To Host Annual Summer Camp

Granite Falls Fire District 17 will host their annual day camp at the fire station. Participants will learn about fire safety, bike safety, water safety, and participate in a series of fun activities that involve teamwork and staying active.

Public Educator Jennye Cooper commented, "We have hosted an annual day camp for several years. Each year we plan fun activities for the kids to participate in that incorporate safety lessons, where the kids can learn and have fun at the same time."

A 4-day camp is scheduled for children ages 7-12 on August 15, 16, 17, and 18 from 9am to noon. The cost for the 4-day camp is \$25. A separate 1-day camp for younger children ages 4-6 is scheduled for August 19, 9am to noon. The cost for the 1-day camp is \$5 and parental attendance is required. Participants will learn how to crawl low under smoke in the fire safety trailer, learn how to ride their bike safely, spray water with the fire hose, and participate in many other activities! Registration is open to children that live within Granite Falls Fire's district boundaries.

Space is limited. To register your child for summer camp call 360.691.5553 or email Jennye.Cooper@gffd17.org.
